THE FUNDAMENTAL FACTS ABOUT PREVENTING SUICIDES

NAMI Cape Ann is pleased to offer a suicide awareness training in collaboration with the Samaritans of Merrimack Valley. Mayor Sefatia Romeo-Theken will be our keynote speaker.

The goal of this two hour training is to educate people in the community about suicide in an effort to better address suicide prevention efforts. The training will cover statistics, facts, risk signs and warning factors, risk assessment, how to talk with someone at risk as well as resources to help that person. The capacity for this training is limited to 30 so make sure you register soon. Refreshments will be served.

This training is sponsored by the National Alliance on Mental Illness Cape Ann.
